Notes from the Pastor's Desk

Pastors Thanks for the Month of January 2017..

I want to offer a special thanks to all those who have stuck with us over the years. I want to thank those of you are new here to Daystar, some even joining us as recently as this past year 2016. I love you all.

Each and everyone of you is important. No matter if you "feel" that you are or not, take my word for it, you are important, to both this Pastor and to our father above. Without each of you working together we could not have a wonderful church.

I want to thank all the

wonderful cleaning crews who keep Gods house so clean and in order. I want to thank our wonderfully awesome Daystar Band members who play so skillfully for the Lord and His people. I want to thank All Daystar worker's in the ministry. Whatever position you hold, God knows it's importance. If we all continue to love Christ and try our best to work together, there is nothing that can ever defeat us. I want to thank God for Bro. Nick and all his expert work in maintaining and making available

The Word of God that we preach to be so readily and easily available to those that desire to hear this Crucified Way Message online.

Thank you all for just being here and running in the race with us. There is a finish line. It cannot be far ahead. I pray that we all get there together.

God Bless Daystar....

Bro. Neal

HAPPY

NEW

YEAR

Manna From God

Greetings Daystar Family... *HAPPY NEW YEAR. WOW, I can not hardly believe that we are now entering what will be our 17th year together as A CHURCH FAMILY. God is so Good.*

I have never been one to be big on making a New Year's Resolutions , because most people do not stick by them, but I do believe that we can start out each New Year by making goals and plans to do better about certain things. That's called making a plan.

Here are a few of my New Year's Goals for 2017... (1) To grow closer to my Bridegroom, Jesus Christ.

(2) To show more Mercy to other's than ever before.

(3) To have an even better prayer life than I already have.

(4) To stop watching the time when I am preaching a red hot sermon.

(5) To stop saying... "I'm about to close"

(6) To hopefully be a better Pastor than I have been.

These are just a few of my goals and plans for 2017. What are YOUR'S?

Go ahead, step up and make some goals, and do your best to follow them. It's fun, it's making a plan plus it will be fun to see just how close you can stick to your named goals. We will all fail at some of them but at least you tried. Trying is always better than being idle.

I wish our entire church family to grow closer to the Lord

during this year like we have never done before. God's great nation of His chosen people (Israel) is surrounded by her enemies. Our own leader's have turned on her and have rebelled against God Himself.

If ever we need to be awake and ready, it is NOW. Please stick with me during this coming year. Get grounded in, get settled in, get on fire, get real, and lets all get ready for Jesus to come.

I love you all,

Bro Neal

Daystar
Monthly News

Daystar Worship Center Inc. is a non-denominational church that was founded back in May 2000 By Rev. Donald Neal and his wife Pam after the Lord revealed to Rev. Neal in a dream that he wanted him to start a new church from scratch and believed the Lord to provide the means.

May of this year {2016} we will be celebrating our 16th year anniversary. God has allowed Daystar to be established as a 501c3 religious organization.

We now reside on our 1.4 acre property where we enjoy services in a 3000 square foot sanctuary. Our church is a 50x50 building with an additional 50x60 building which is fully operational with full kitchen and classrooms. All of this has been completely paid for by Gods Miraculous works and the faithful giving of so many of Gods wonderful children.

We at Daystar believe in the entire bible, Genesis to Revelations, as the inspired Word of God {2nd Timothy 3: 16-17}

We believe in a Crucified Way that involves us growing up in the Stature of Jesus Christ and not to stay a baby in Christ, but to spiritually mature into the Bride of Christ who has made herself ready.
