Volume 1 Issue 11

Notes from the Pastor's Desk

Greetings Saints... I love February. It is the month when Winter is kind of starting to be left behind us, and Spring is just up ahead. (That's how I view it) It is the shortest month of the year. The name February comes from the Latin word "Februarius" which means (Purification) Of course February is best known for its very special holiday... (Valentines Day) The most romantic of all holidays, I pray that you all have your very special Valentine with you as you celebrate this year, or at least have

them still alive in your heart.

This month is also special to me as it is the month of our Wedding Anniversary . Sis. Pam and I got married on Valentines Day, February 14, 1998.

I don't get too wrapped up in the Worlds explanation of exactly what and how Valentines Day started, I like to simplify it by saying (To Me) it represents a day in each year in which we pay special attention to that one very special person in our lives that we love so much, and we make it known openly to the

To them evenly more then we usually do the rest of the busy and fast paced year. What can be bad that? Actually to me... the old meaning of many holidays does not affect me, its how I see and react to that day that means the most to me personally.

I wish you all a great February 2017 and I especially hope you all enjoy this Valentines Day with the love of your life. LOVE is the strongest of all emotions. Love can sooth the heart and clam the soul. True Love is as rare as the rarest of diamonds or jewels.

May I share with you

One of my most favorite Valentines day Poems??

ALL THE CARDS THAT WERE WRITTEN ON THE SHELF CAN'T YOU HOW I FEEL AND THIS LOVE THAT I HAVE IN MY HEART NO ONE COULD EVER STEAL. TO PUT MY FEELINGS INTO WORDS WOULD BE SO HARD TO DO BUT THE THREE WORDS THAT I'LL ALWAYS SAY WILL BE... I LOVE YOU EVERY DAY I THANK THE LORD FOR BLESSING ME WITH YOU AND THERE ISN'T ANYTHING YOU WOULD SAY THAT I WOULDN'T DO THIS LOVE THAT I HAVE FOR YOU IN MY HEART WILL NEVER GO AWAY SO I'LL KEEP ON LOVING YOU EVERY SINGLE DAY.

Daystar
Monthly News

Daystar Worship Center Inc. is a non-denominational church that was founded back in May 2000 By Rev. Donald Neal and his wife Pam after the Lord revealed to Rev. Neal in a dream that he wanted him to start a new church from scratch and believed the Lord to provide the means.

May of this year {2016} we will be celebrating our 16th year anniversary. God has allowed Daystar to be established as a 501c3 religious organization.

We now reside on our 1.4 acre property where we enjoy services in a 3000 square foot sanctuary. Our church is a 50x50 building with an additional 50x60 building which is fully operational with full kitchen and classrooms. All of this has been completely paid for by Gods Miraculous works and the faithful giving of so many of Gods wonderful children.

We at Daystar believe in the entire bible, Genesis to Revelations, as the inspired Word of God {2nd Timothy 3: 16-17}

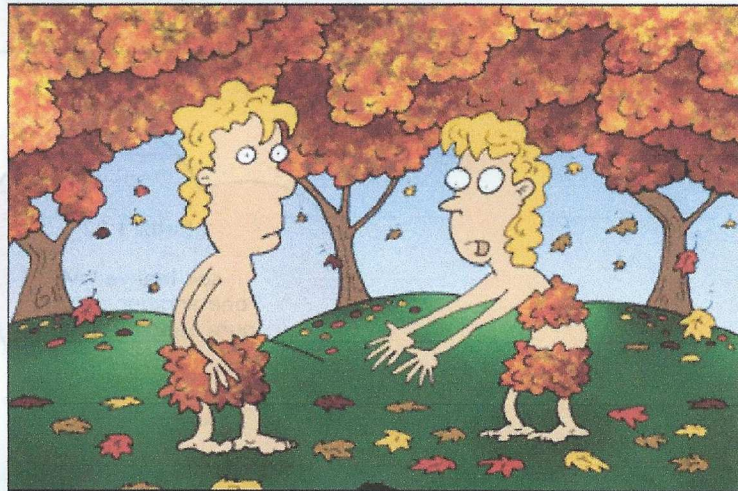

We believe in a Crucified Way that involves us growing up in the Stature of Jesus Christ and not to stay a baby in Christ, but to spiritually mature into the Bride of Christ who has made herself ready.
