### Notes from the Pastor's Desk

*Greetings Saints,  
 I am so excited that  
 March is here. To me,  
 March is the signal that  
 change is coming. Soon we  
 leave Winter behind and  
 watch as Spring is about  
 to be sprung. LOL I love  
 Spring, it is the month of  
 New Life. All those plants,  
 flowers, and foliage that  
 have died out and went  
 into hiding for winter now  
 heeds the Master's call to  
 arise and come to life  
 fresh and anew again. March  
 is known as the month  
 where winter fights to  
 hold on, and Spring fights  
 to break through. Remember  
 the old saying*

*about March? (in like a  
 Lion, out like a Lamb)  
 The great American  
 Author "Charles Dickens"  
 once wrote about March  
 and he said... "The days  
 of March where the sun  
 shines hot but the wind  
 blows cold. When it is  
 summer in the light,  
 and winter in the shade"  
 In our Spiritual lives we  
 all love the spiritual time  
 of the March in our lives,  
 when things have felt  
 dead and cold, down  
 inside we can "feel" a  
 beginning of something  
 fresh and new something  
 wanting to*

*Spring up and break  
 forth. This is Spiritual  
 feeling of your season  
 of March coming forth.  
 Praise God.*

*(2nd Corinthians 5:17)  
 "Therefore, if anyone  
 be in Christ, he is a new  
 creation. Old things are  
 passed away, behold all  
 things are new" That  
 sounds like **MARCH**  
 to me.*

*God has been revealing  
 to us here at Daystar  
 a new Spiritual Spring,  
 a new freshness of life,  
 a new season of growth.  
 Look at the new precious  
 ones He has been adding  
 to our church. Look at the*

*Awesomely powerful  
 services we have been  
 having. Look at the  
 astounding degree of the  
 Word he has been feeding  
 to us here lately. I'm  
 telling you we have been  
 experiencing a Spiritual  
 Spring, a Spiritual March  
 in our church since the  
 beginning of the year.  
 And do you know what?  
 I do not believe that He  
 is done yet.*

*Even though the battle is  
 aging, the times are  
 weird, and people are  
 losing their vision and  
 fear of God, I want  
 Daystar to be an oasis  
 in the middle of the  
 desert, a light in the  
 blackest darkness, a  
 well of hope in a dry  
 and barren land. I want  
 the freedom of the Spirit  
 to always be available  
 here at Daystar. My  
 desire is for us*

*To enter our 17th year  
 being known as a  
 friendly and on fire  
 church. I love each  
 And everyone of you.  
 I pray for you daily.  
 I am honored to be  
 your humble servant  
 before our almighty  
 God. Have a great  
 cont next pg\*

Daystar  
Monthly News

Daystar Worship Center Inc. is a non-denominational church that was founded back in May 2000 By Rev. Donald Neal and his wife Pam after the Lord revealed to Rev. Neal in a dream that he wanted him to start a new church from scratch and believed the Lord to provide the means.

May of this year {2016} we will be celebrating our 16th year anniversary. God has allowed Daystar to be established as a 501c3 religious organization.

We now reside on our 1.4 acre property where we enjoy services in a 3000 square foot sanctuary. Our church is a 50x50 building with an additional 50x60 building which is fully operational with full kitchen and classrooms. All of this has been completely paid for by Gods Miraculous works and the faithful giving of so many of Gods wonderful children.

We at Daystar believe in the entire bible, Genesis to Revelations, as the inspired Word of God {2nd Timothy 3: 16-17}

We believe in a Crucified Way that involves us growing up in the Stature of Jesus Christ and not to stay a baby in Christ, but to spiritually mature into the Bride of Christ who has made herself ready.
